Overview

Full Refit (2024) - Overhauled Arneson Drives (2024)

2 New Generators (2024) - MTU Engines Serviced (2024)

She will be delivered in ready to sail condition for the Season '24

Pershing 88 is characterised by high performance with a planing hull design, her powerful twin MTU 2000Hp engines and Arneson Surface Drives can reach exhilarating top speeds up to 42 knots. This particular Pershing 88 has been used as a private yacht since new, for only three months each year and is fully serviced by authorized MTU engineers.

Her interior layout sleeps up to 8 guests in 4 rooms, including a master suite, 1 VIP stateroom and 2 twin cabins. She is also capable of carrying up to 2 crew onboard to ensure a relaxed luxury yacht experience. Timeless styling, beautiful furnishings and sumptuous seating feature throughout to create an elegant and comfortable atmosphere.
