Overview

Well Maintained - Ready to Sail Away

The Bali 5.4 is a luxury sailing catamaran, designed by architect Xavier Fay and constructed in 2019. The yacht is flagged under France and is in great condition. It is equipped with two YANMAR 4 JH80 engines, each with 80 hp and a total of 3500 engine hours, along with a YANMAR SD60 sail drive.

The Bali 5.4 features a comprehensive Dometic air conditioning system, an Aquabase watermaker, 8 solar panels, 6 Victron Service batteries (130 Ah each), and a Cummins Onan 17.5 kW generator with 4000 hours of operation. It also includes a Victron inverter, an Elvstrom mainsail, and an Elvstrom furling genoa.

The yacht's interior boasts 6 guest cabins, each equipped with a double bed and en-suite facilities, and 2 crew cabins, each with a single bed and en-suite facilities.

This catamaran offers all the amenities and luxury needed for long voyages and comfortable stays at sea. It is ideal for those seeking a reliable and luxurious option for sailing adventures.
