Overview

Atlantic 61 1990

Experience the luxury of the Atlantic 61 sailing yacht, a 1990 model fully refitted in 2018. This yacht offers a maximum speed of 10 knots and a cruising speed of 8 knots, with a fuel consumption of approximately 15 liters per hour. With a range of 650 nautical miles at 7 knots, it's ideal for long voyages. Accommodating up to 10 guests in four spacious, air-conditioned staterooms, each with ensuite facilities, the yacht also includes a twin crew cabin with its own head and shower. The bright ice-gray interior and well-equipped galley with freezer, twin refrigerators, and full-size ceramic cooker provide a pleasant living space.

The Atlantic 61 features an ONAN 16KW generator, hydraulic steering with electric gear, and a ZF gearbox with a 3-blade fixed propeller. Comfort is ensured with five independent air conditioning units, installed in 2018, and electric pumps in the waste tanks. Enjoy music on deck with the outdoor speakers and relax on the sun deck with soft cushions and a sun umbrella. The cockpit area includes a large table and incorporated refrigerator, perfect for outdoor meals. This yacht combines performance, comfort, and luxury for an unforgettable sailing experience.
