Overview

Beneteau Oceanis 41 (2013) - Excellent Condition

Refit 2021

This Beneteau Oceanis 41 from 2013 is a superb example of a well-maintained cruising yacht, known for its elegant design, spacious interior, and excellent sailing performance. With a length of 41 feet, it offers a perfect balance between comfort and maneuverability, making it ideal for both coastal cruising and longer passages. The boat features a sleek, modern hull design that ensures smooth and efficient sailing, while the wide cockpit and twin helm stations provide ease of handling and comfort for the crew. The interior is bright and airy, with ample natural light, offering a luxurious and relaxing environment for extended stays on board.

A refit was completed in 2021, ensuring that key systems and features are up to date and in optimal working order.

Powered by a reliable Yanmar 3JH5E engine with just 1,500 hours, this yacht is ready for many more adventures at sea. The engine runs smoothly and efficiently, providing peace of mind during extended voyages. The sail drive system is also in excellent shape, offering superior handling and performance.

This Oceanis 41 is a fantastic opportunity for anyone looking for a modern, comfortable, and well-equipped sailing yacht that's ready to sail away.
