## Zodiac Pro Open 550 2019

The 2019 Zodiac Pro Open 550 is an exceptional inflatable boat that combines performance, comfort, and functionality. Equipped with a Mercury 115 HP engine from 2021 and only 111 hours of use, the boat is in excellent condition and has had a recent service done in May, ensuring its reliable operation. Additionally, the boat comes with its own **trailer**, making transportation and storage easy and convenient.

The Zodiac Pro Open 550 features a range of amenities that enhance the boating experience:

- **Garmin GPS/Plotter:** This integrated navigation system provides precise guidance, making it easy to navigate safely and effectively in both familiar and unfamiliar waters.
- **VHF Radio:** The VHF communication system ensures reliable communication with other boaters and rescue services, adding an extra layer of safety during your maritime activities.
- **Fusion Sound System:** The high-quality sound system delivers excellent audio performance.
- **Bimini Top:** The Bimini top offers protection from intense sunlight.
- **Leather Seats:** The luxurious leather seats provide both style and comfort.
- **Bow Sunbed:** The sunbed cushions at the bow turn the area into a comfortable space for sunbathing and relaxation.

These features make the Zodiac Pro Open 550 an ideal choice for those seeking a reliable and luxurious boat that offers exceptional performance and comfort for all types of marine activities.
