### Overview

This 1999 Pershing 37, launched in 2000, offers a thrilling experience on the water, combining speed, style, and comfort. Powered by twin Caterpillar 350 hp engines, it can reach an impressive maximum speed of 33 knots, while maintaining a smooth and enjoyable cruising speed of 27 knots.

The boat has been privately owned and carefully maintained throughout the years. In September 2024, it underwent full servicing, including the installation of a new battery charger, pumps, and teak on the swim platform. Additionally, the hull was professionally cleaned, coated with a fresh antifouling layer, and fitted with new anodes, ensuring excellent performance and protection.

The engines have only 970 hours of operation, reflecting moderate use. With VAT paid and its exceptional condition, this Pershing 37 is an outstanding choice for anyone seeking a well-maintained and ready-to-use sport cruiser.
