Overview

For Sale: Alubat Ovni 37

Explore the world's oceans in this **1986 Alubat Ovni 37**, known for its sturdy aluminum hull and versatility. Designed by **Philippe Briand**, the Ovni 37 is a celebrated bluewater cruiser, perfect for sailors seeking a yacht that can handle both shallow waters and offshore adventures, thanks to its **lifting keel** system.

Key Features:

- **Length:** 11.5 meters (37 feet)
- **Builder:** Alubat (France)
- **Designer:** Philippe Briand
- **Hull:** Lightweight and corrosion-resistant **aluminum**
- **Keel:** **Lifting keel** for shallow draft navigation, providing excellent flexibility for coastal cruising, while also offering stability and performance with the keel down.
- **Rig:** Sloop rig for easy sail management
- **Engine:** Reliable **Perkins inboard engine** for auxiliary power
- **Layout:** Spacious and practical interior with **3 cabins**. A large saloon connects to a well-equipped galley. The forward cabin offers a comfortable double berth, complemented by two additional double cabins aft for guests or crew.

This Ovni 37 has been meticulously maintained and is well-suited for long-distance cruising. Its retractable keel and durable aluminum construction make it ideal for diverse sailing conditions, from high-latitude expeditions to tropical anchorages.

A rare opportunity for those seeking a capable and well-built cruiser, ready to take on new adventures. Don't miss out on this classic from the legendary Ovni series
