Overview

For Sale: 2009 Leopard 40 Catamaran

Discover the perfect combination of stability, performance, and comfort with this 2009 Leopard 40 catamaran. Known for its sturdy construction and spacious design, this yacht is ideal for both long-distance cruising and relaxing coastal adventures. Well-maintained, it's a fantastic choice for charter or personal use.

Key Features:

Spacious and Comfortable:

This Leopard 40 comfortably accommodates up to 8 guests in 4 large double cabins. The 2 heads are equipped with electric pumps, newly installed in 2024. The bright and airy saloon offers ample seating, and fans installed throughout ensure comfort in all cabins and the main living area.

Efficient Performance:

Powered by two Yanmar 3YM30 engines, fully rebuilt in 2022, this catamaran is built for smooth sailing. With only 600 hours post-rebuild, you can expect reliability for your voyages. The saildrive system provides optimal handling, while the 800-liter water tank and 400-liter fuel capacity ensure long-range cruising autonomy.

Well-Maintained:

This Catamaran has been regularly serviced and upgraded, ensuring it's always in top condition. The original rigging was inspected and verified in 2024, providing added peace of mind for safe sailing.

Eco-Friendly and Ready for Adventure:

Equipped with a solar power system (2x150W Victor panels) and a watermaker producing 50 liters per hour, this catamaran is well-prepared for off-grid cruising. With the robust design and spacious layout, it's perfect for exploring

the Mediterranean and beyond.

Stylish and Functional Deck Layout:

The wide side decks and manual passerelle provide easy movement on board, while the transom shower and underwater lights enhance comfort and relaxation at anchor. Equipped with a dinghy (Arimar 3.2) and a 6hp Mercury 4-stroke outboard, you're ready for all your water-based adventures.
