# Overview

---

**For Sale: 2018 Lagoon 42 Owners Edition - Immediately Available - One Owner Since New**

**Please find the link below for 360 Virtual Tour:**

**<https://nodalview.com/s/3ijImNNkLxwQO1AonnNh4>**

Explore the ultimate in comfort, performance, and innovation with this one-owner since new Lagoon 42 Owners Edition catamaran. Designed for discerning sailors who seek the perfect balance between spacious accommodations and advanced technology, this yacht is ready to take you on unforgettable journeys across the seas.

## **Key Features:**

### **Energy Management**

This Lagoon 42 is equipped with an electrical system designed for autonomy and sustainability. Ample power is provided by 1200W solar panels (generated by four 300W units), complemented by a powerful Victron Quattro 5000 Inverter with a Color Controller for monitoring. The yacht boasts four 200Ah LifePo4, and a Fischer Panda 8000i generator ensures you're never short on energy, even during long voyages. Additionally, the BlueSolar MPPT chargers and dual alternators will optimize the charging process.

### **Comfortable and Spacious Accommodations**

The 3-cabin, 3-head owners edition layout offers private, luxurious accommodations. Each cabin features a double bed, hanging wardrobes, and en suite facilities with electric heads. The portside aft and forward cabins provide comfort and storage, while the starboard aft cabin features an office space, perfect for remote working at sea. The yacht also includes a 5kg washing machine for added convenience during extended voyages.

## **Navigation and Communication Equipment**

Outfitted with B&G electronics, including an autopilot with remote control, AIS, VHF, and wind instrument, this catamaran is prepared for both coastal cruising and long-distance passages.

## **Deck and Sailing Equipment**

The Lagoon 42's spacious deck is perfect for relaxation and maneuvering. It features a 35kg Delta anchor with an Ultra Marine electric windlass complemented by a 100m Inox chain for secure mooring. The cockpit provides excellent visibility, while the deck saloon table, bimini, and electric winches enhance comfort and efficiency. The yacht's SquareTop main sail and spinnaker with recovery tube ensure superior sailing performance.

## **Safety**

Safety is a priority on this catamaran, which comes with a recently serviced life raft (8-person capacity, checked in 2023), life jackets, fire extinguishers, an EPIRB, and lifebuoys.

## **Additional Equipment**

This yacht is fully equipped for self-sufficiency, featuring an Aquatec water maker that produces 150 liters per hour. The tender - a ZAR dinghy with a Suzuki 20hp 4-stroke outboard engine - ensures convenient shore trips, while 10 fenders protect the yacht when docked.

This 2018 Lagoon 42 Owners Edition catamaran is a turn-key yacht offering luxurious accommodations and exceptional sailing performance. Whether you're planning coastal adventures or long-haul ocean passages, this yacht is ready for your next voyage.
