This 2003 Bavaria Cruiser 49 offers an excellent combination of comfort, performance, and space, making it ideal for family cruising. Located in Preveza, Greece, this yacht has been well-maintained and is equipped with modern features to ensure safe and enjoyable sailing. With ample room across five cabins and three heads, it's ready for its next adventure.

Key Features:

- **Engine:** Powered by a reliable **Volvo Penta TMD 22** 78 HP inboard engine, the yacht offers smooth and efficient cruising. It is equipped with a **shaft drive** for dependable handling.
- **Spacious Accommodation:** This yacht features **5 guest cabins** and **3 heads**, comfortably accommodating up to 10 people. The forward owner's cabin has a **double bed**, while the aft cabins also feature double beds, all equipped with new **mattresses (2024)** for a comfortable stay. The saloon has a **convertible sofa** and a **folding dining table** for added space and convenience.
- **Modern Galley:** The galley is fully equipped with a **refrigerator**, a **small freezer**, and a **3-burner gas oven (2024)**, making meal preparation at sea easy and efficient.

Specifications:

- **Length Overall:** 14.95 m (49 ft)

- **Beam:** 4.46 m
- **Max Draft:** 1.80 m
- **Displacement:** 11,000 kg
- **Fuel Capacity:** 320 liters
- **Water Capacity:** 650 liters
- **Holding Tank:** 80 liters

Deck and Sails:

- **Deck Layout:** The deck is designed for ease of use, featuring **6 Harken winches with 2-speed self-tailing** and an **electric windlass** for easy anchoring. The cockpit is spacious, equipped with **cockpit cushions (2024)**, a **cockpit table**, and a **cockpit shower** for added comfort.
- **Sails:** The yacht is equipped with a **furling genoa (70 sqm)** and a **furling mainsail (46 sqm)**, both replaced in 2019. The sail handling system is efficient and designed for easy control from the cockpit.
- **Solar Power:** The yacht features **solar panels (2024)** mounted on an arch, providing sustainable energy for off-grid cruising.

Power and Electrical Systems:

- **Inverter:** A **Power Master 2200W inverter** is onboard, ensuring you have access to power when needed.
- **Battery Setup:** Equipped with **3 Varta service batteries (140Ah)** and a **starter battery (100Ah)**, the yacht's power system is reliable. It also includes a **Victron Energy Smart Solar Charge Controller** with Bluetooth functionality for easy monitoring.

Navigation and Electronics:

- **Navigation Equipment:** The yacht is equipped with modern navigation tools, including a **Raymarine ST6002 autopilot**, **Lowrance HDS7m GPS/plotter, AIS (2024)**, and a **Raymarine ST60+ tridata** for easy sailing and navigation.
- **Communication:** A **Raymarine RAY49E VHF** provides reliable communication at sea.

Safety and Tender:

- **Safety Equipment:** This Bavaria Cruiser 49 is fully equipped for safe cruising with a **liferaft, life jackets, a lifebuoy**, and other essential safety gear.
- **Tender:** Includes an **Arimar tender (2024)** with a **5 HP Hidea outboard engine**, perfect for easy access to shore.

Additional Features:

- **Comfort:** The yacht comes with a **bimini top** and **sprayhood** for sun and weather protection, ensuring comfort during extended voyages.
- **Bow Thruster:** A **Vetus bow thruster** with a dedicated battery makes docking and maneuvering much easier.
- **Entertainment:** Enjoy your time onboard with the **JVC Bluetooth radio (2024)** connected to both interior and exterior speakers.

This Bavaria Cruiser 49 is a well-equipped, spacious yacht ready for extended cruising or comfortable living aboard. Its modern systems and generous accommodation make it an excellent choice for anyone seeking adventure on the water.
