Princess V53 is the ultimate boat for those who wish to experience the thrill of high-speed cruising in comfort and style. On deck, the large teak-laid cockpit comprises two generous seating areas. Starting in the bow, her layout consists of a master island berth with high gloss finishes and a private en suite. The saloon is midships with a large leather lounge to port and an L-shaped galley to starboard. The aft guest lounge features another double berth and private en suite. In 2019, her interior and exterior were fully rebuilt, including engineering systems. The engines have been serviced, covering the cooling systems, turbochargers, injectors, and more. Additionally, the shafts, bearings, and propellers have been thoroughly maintained to ensure optimal performance.

Key Features:

- Interior Upholstery (2019)
- Teak (2019)
- Exterior Upholstery (2019)
- Bow & Stern Thruster

Please contact us for more information.
