Overview

Viper Magnum 970 (2014) - Performance & Elegance Combined

The **Viper Magnum 970** is a high-performance RIB, offering a perfect balance of speed, comfort, and seaworthiness. Powered by **twin Mercury Verado 350 SCI outboard engines**, this boat delivers **exceptional power and agility**, ensuring thrilling rides and effortless cruising.

With a **sporty yet elegant design**, the Magnum 970 features a **deep-V hull**, providing excellent stability and handling in various sea conditions. The spacious **cockpit layout** is designed for both leisure and practicality, featuring a **large sunbed, comfortable seating areas, and a well-equipped helm station** with advanced navigation systems.

Key Features:

Engines: 2 x 400 HP Mercury Verado SCI - High-performance supercharged power

Trailer: The Boat Includes Trailer

Hull: Deep-V for superior handling

Top Speed: Approx. 70 knots

Cruising Speed: 40-50 knots

Seating & Layout: Spacious deck, sunbed, and ergonomic helm station

T-Top or Bimini (if equipped): Protection from sun and weather

Electronics: GPS, depth sounder, VHF, and premium sound system

Storage: Generous compartments for gear and essentials

Perfect for **island hopping, high-speed cruising, or luxurious day trips**, the **Viper Magnum 970** is built for those who demand performance without compromising on style and comfort.
